Indirect Compensation Payable to the Firm

From Sources other than the Plan or the Plan Sponsor.

As a firm Avantax can receive third party compensation from mutual fund companies, insurance and annuity companies and other investment product sponsors, distributors, investment advisors, broker-dealers and other vendors to support the sale of their products and services to clients. The payment and receipt of these fees are determined by a number of factors including firm policy, regulatory guidelines, the types of services provided (i.e., brokerage vs advisory), investments and decisions made independently by the third-party provider. In general:

- Avantax Advisory Services ("AAS") While AAS may receive indirect compensation related to assets held in non-ERISA advisory accounts, <u>assets in ERISA accounts are not included in the customer assets or new sales</u> <u>calculations which means AAS does not receive additional Third-Party Compensation on securities held in ERISA</u> Accounts.¹
- Avantax Investment Services ("AIS") As a registered broker-dealer, AIS may receive payments from any oa(สหัวสังห์ ก็เกียร์ (ควร์ เลือง ครั้ง ครั้ง เลือง ครั้ง ครั้ง เลือง ครั้ง ครั้ง เลือง ครั้ง ครั้ง เลือง ครั้ง ครั้ง ครั้ง เลือง ครั้ง ครั้

Companies for some of the investment products the Firm sells participate in activities that are designed to help facilitate the distribution of their products. The marketing activities and educational programs provided by these product sponsors include, but are not limited to, attendance by product representatives at our conferences, cash and non-cash marketing assistance paid to the Firm, and training and education presentations provided to the Firm's registered representatives about their products and services. In return for assistance in facilitating the activities described above, the Firm receives additional compensation, commonly referred to as "revenue sharing," from these companies. These companies are part of what the Firm calls our Educational Partners Program. These revenue sharing payments are in addition to the commissions and distribution fees (known as 12b-1 fees), and other fees and expenses paid to us, as disclosed in the respective product's prospectus. It is important to note, however, that these revenue sharing payments are paid out of the company's own assets—not from the investment's assets themselves—and, therefore, would not appear as items in a fund's expense table.

Compensation Paid Among Related Parties

As described in *Direct Compensation Payable to the Firm from the Plan*, the Firm receives fees for maintaining the Plan's brokerage account, as well as commissions and ticket charges for effecting securities transactions. The Firm will also receive ticket charges and may earn commissions, if applicable, for effecting any applicable transactions. In order to provide the applicable brokerage services, the Firm relies on an unaffiliated subcontractor, National Financial Services, LLCoa(al)c -0.002 T.se,6.1 (al)-1.4 (i)1.5 (t)6.1 (g)0.6 (s)1.2 (i)1.5(i)1.5 (be)6.1 (d 8I (t)6.1 (n.002 T.s)1..1 (r)-)0.6 (r)4.6 (ec)pubco
